THE EVENT

This year marks the 20th anniversary of The Walters Prize. This important milestone will be celebrated at an exclusive dinner in the Gallery's North Atrium on Saturday 7 August.

The evening is held in honour of the 2021 Walters Prize finalists: Fiona Amundsen, Sonya Lacey, Mata Aho Collective and Sriwhana Spong. At the dinner, the winner will be announced by judge Kate Fowle, Director, MoMa PS1, New York.

Taking design cues from Gordon Walters' iconic work, guests will enjoy a sumptuous Mid-Winter Modern dinner accompanied by a curated selection of fine wines, champagne and cocktails.
