Introduction

Facilitated Programme

This programme will encourage familiarity with a range of visual language features and how artists use them to create meaning. It cultivates critical and creative thinking in students, using original works of art as a starting point.

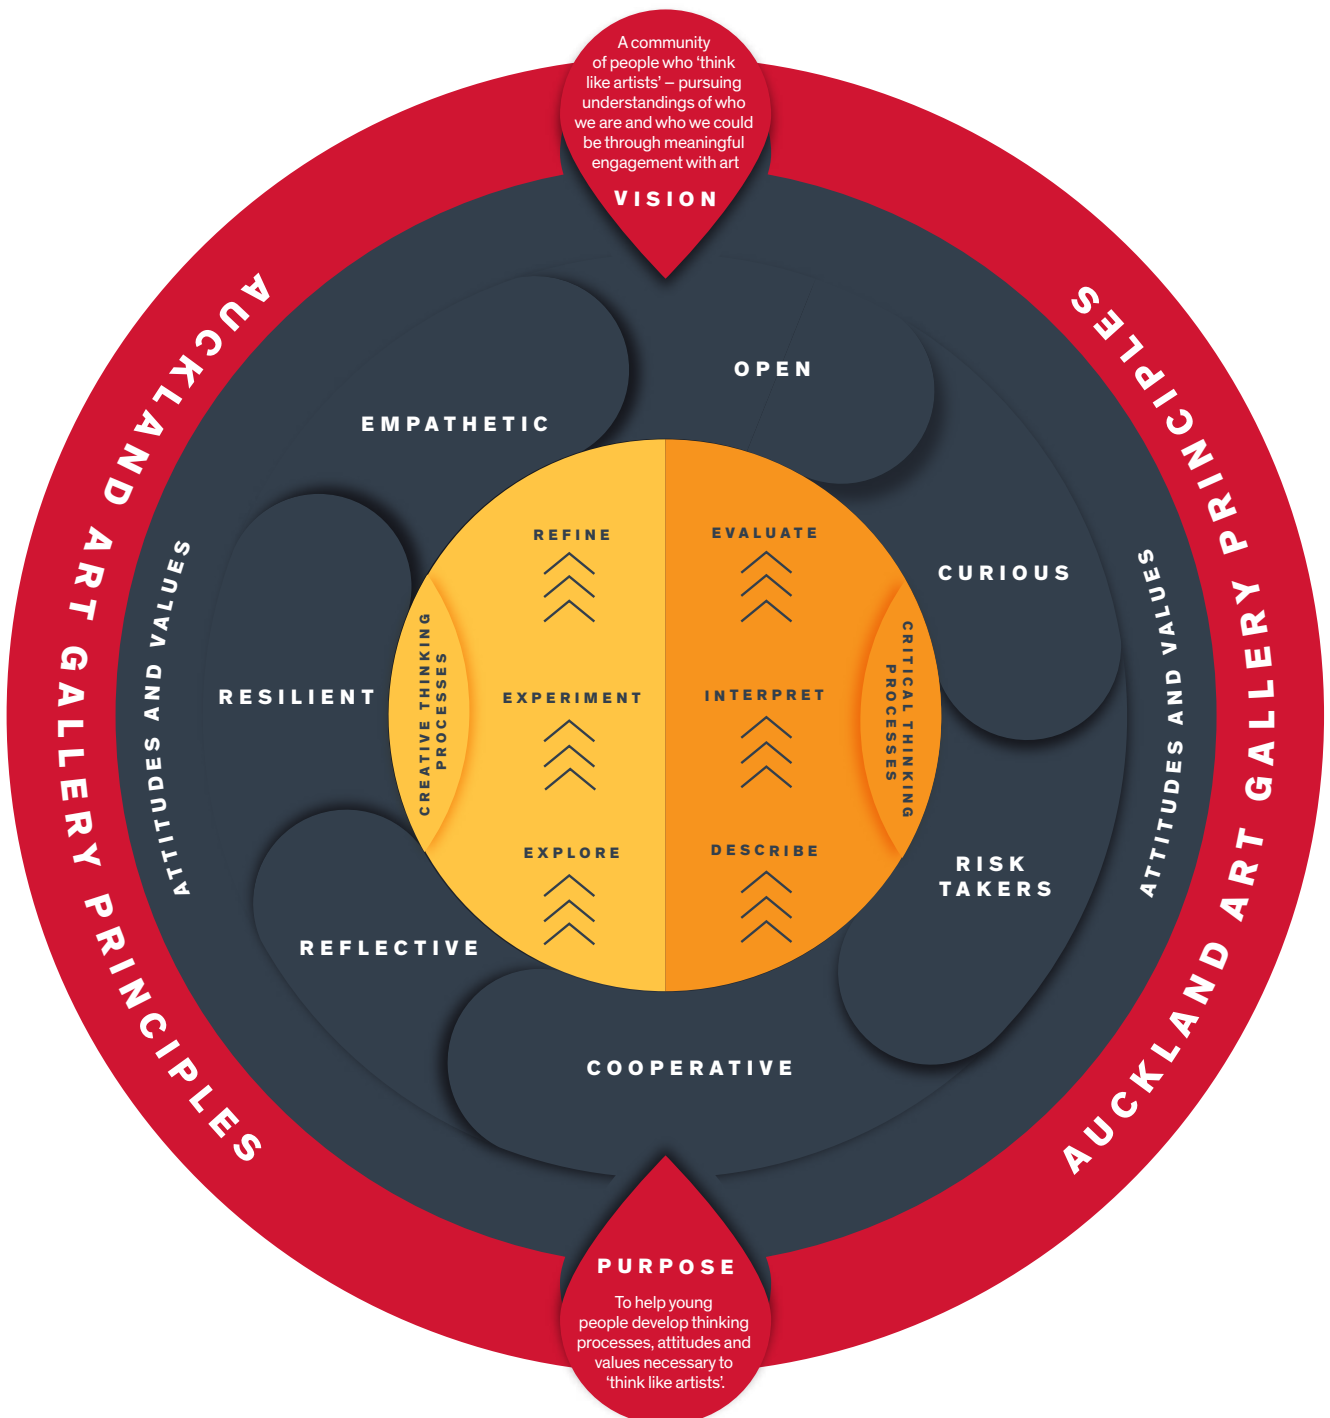

The programme will do this through:

- Students exploring visual language through facilitated analysis of artworks (visual texts).
- Students developing understanding of the relationship between visual language and meaning.

Pre-visit Preparation

Before the visit students will ideally have an understanding of why they are visiting the Gallery, and what they can expect to gain from the visit.

See the 'Introduction to Auckland Art Gallery' pdf on our resources page for information and discussion points to ensure they are well prepared. You may also have your specific requirements for the visit – both students and Gallery educators need to be familiar with these.

For other pre- and post-visit activity resources, including worksheets, word card activities and exhibition information, please see our website www.aucklandartgallery.com/search/ideas?idea_refinements_open=true&contentType%5B0%5D=education.

Or find us on POND.

Key Competencies

This programme particularly focuses on encouraging students to be open to new ideas, take risks and act with empathy. They will have opportunities to work cooperatively, follow their curiosity, be reflective and strengthen their resilience.

Thinking

Students use their creative and critical thinking to make sense of the information, experiences and ideas explored in the gallery environment.

Their intellectual curiosity is fostered through the asking and answering of questions, and the challenging of the basis of their assumptions and perceptions.

Using Language, Symbols and Text

Students draw out meaning from artworks/visual texts in the gallery and use spoken, visual and written language to respond to these.

They become familiar with some of the specialised language of the art world, and extend their vocabulary.

Managing Self

Students will have opportunities engage their curiosity, to make their own decisions and work independently. They will be supported in taking risks and growing resilience.

Relating to Others

Students interact and share ideas with others in the gallery. They listen to others ideas and consider the impact of personal context on the formation of these ideas.

Participating and Contributing

Students become familiar with the Gallery as a community space where individual, local and global voices are expressed. They contribute to this dialogue by sharing responses to artworks.

Year 9 – 13 Secondary Checklist for a Successful Visit, Schools Programme

This quick checklist will help to make your visit an enjoyable experience for both teachers and students. Please tick each circle when complete.

Prior to arrival – several weeks before your visit

You should have received and read through the following documents:

- Booking confirmation. Check information is correct. This includes our cancellation policy.
- Teachers Pack. A description of the programme including curriculum links, pre- and post- visit ideas, a RAMs form, and a map of the Gallery and surrounds.
- Rotation timetable/s. Where and when for your groups.
- The programme support resources. Relevant only to some programmes, see your confirmation email to identify if your programme has support resources.

You will need to access and read through the following documents online:

- The *Art Gallery Explorer* guide and notes for students to view. This is available on our website, at www.aucklandartgallery.com/learning/planning-your-visit/media

All teachers with students in the programme must receive copies of all the above documents.

You will need to organise:

Appropriate numbers of adult support for the visit. Adult supervision of students is essential at all times. The following adult:student ratios apply:

Years 7–13 inclusive	Group size 15–30 – a minimum of 2 adults
	Group size 30–90 – a minimum of 3 adults

Discuss the following guidelines with your group:

- Works of art and their frames cannot be touched (a 'keep one metre away' rule works well).
- Always move carefully when in the Gallery. Walk only, and be aware of what is around you at all times.
- You are welcome to write or sketch in the galleries but we ask that you use pencils and you do not use them to point at works of art, or write against the gallery walls.
- Unless otherwise stated, coats and bags should be checked and left at cloaking (see map).
- If you would like to take photographs during your visit please check with your host upon arrival (in some cases works cannot be photographed). Always turn your flash off in the Gallery.
- The Gallery is a shared public space so please be considerate towards others around you.

On the day:

- Students must travel light. There is a very little space for bag storage. Food and drink are not permitted in the gallery spaces.
- Have students divided into their designated groups and ready to meet Gallery staff at the agreed meeting point.
- Payment. We prefer you to pay by cash, cheque, Eftpos or credit card. You can do this on the day. If you wish to be invoiced, this is also possible, but will require you to fill out a series of forms to be returned to the Gallery at least two weeks prior to your visit. An educator will discuss options with you.
- Speak to the cashier to give exact student numbers for your visit.

WELCOME TO AUCKLAND ART GALLERY TOI O TĀMAKI, WE HOPE YOU ENJOY YOUR VISIT.
