

# THE AMAZING GPS RACE

Using a unique GPS app and the latest iPads, The Amazing GPS Race takes teams on foot. The challenge is to locate the GPS hotspots and navigate around the area to crack the clues, complete the challenges and earn as many points as possible.

Each team will receive an iPad pre-loaded with your unique event and packed with a range of features that will engage and motivate. The Amazing GPS Race tasks include cryptic, quiz, photo, video and image recognition challenges. Photos and videos are downloaded and shown at the end of the activity or provided for you to show later.
