THE CLOUD

Built as a temporary structure to accommodate an inner-city fan zone during Rugby World Cup 2011, The Cloud has since won a place in the hearts of Aucklanders and visitors alike. This multi-purpose venue is ideal for exhibitions, cocktail functions, dinners, weddings and large-scale events.

EXHIBITION FLOOR - At almost 180m long, the pillar-less exhibition floor can accommodate 107 3x3m booths, 1,500 people for a seated dinner, 2,000 guests for cocktails, and works exceptionally well for large-scale events.

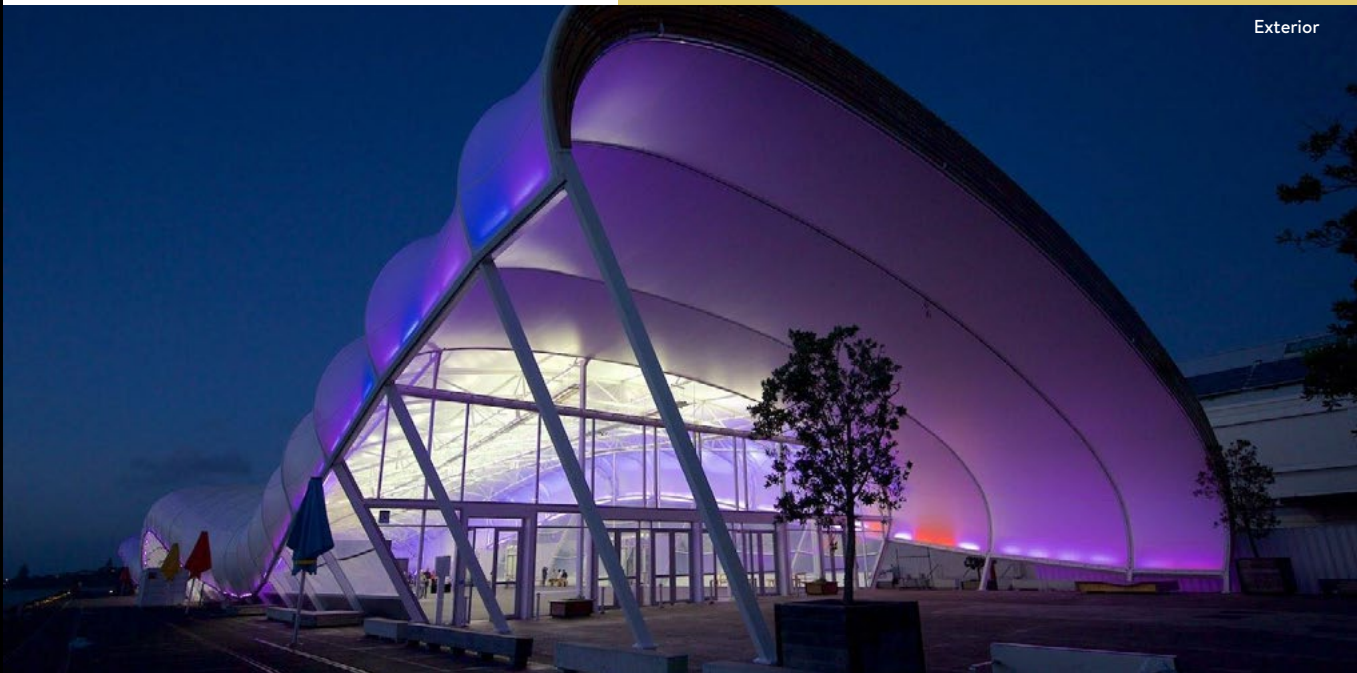

LOWER MEZZANINE - Located at the northern end of The Cloud, with glass doors opening out to the wharf, this space is ideal for pre-dinner drinks and can also be used for intimate get-togethers.
