NAME THE TOHU!

Label the tohu with either their Māori or English name, or both!

WAKA HOURUA

1. Colour in your waka hourua and give it a name.
2. Using the list below label all the parts of the waka.
3. Circle the 5 tohu that are in this picture.

Ihu

Kei

Whare

Kiato

Kaupapa

Rā

Hiwi

Hoe

KĀPEHU WHETŪ WHARE

Fill in the correct whare to its description

The Nothingness, Darkness, the Void

Small land bird

Listening to the tohu

Looking and listening to the tohu in the
sky

Sun

Home

Large seabird

KĀPEHU WHETŪ

On the kāpehu whetū fill in:

- The cardinal points.
- The names of all the whare.

After doing some research on the website provided to your teacher, draw the rising and setting positions of:

- Rā
- Marama
- Matariki
- Atutahi

Challenge: Using the website provided write the names of each of the quadrants on the kāpehu whetū.

Next, label where the two wives of Tama - nui - te - ra live.

These wives are:

- Hinetakurua
- Hinerāumati

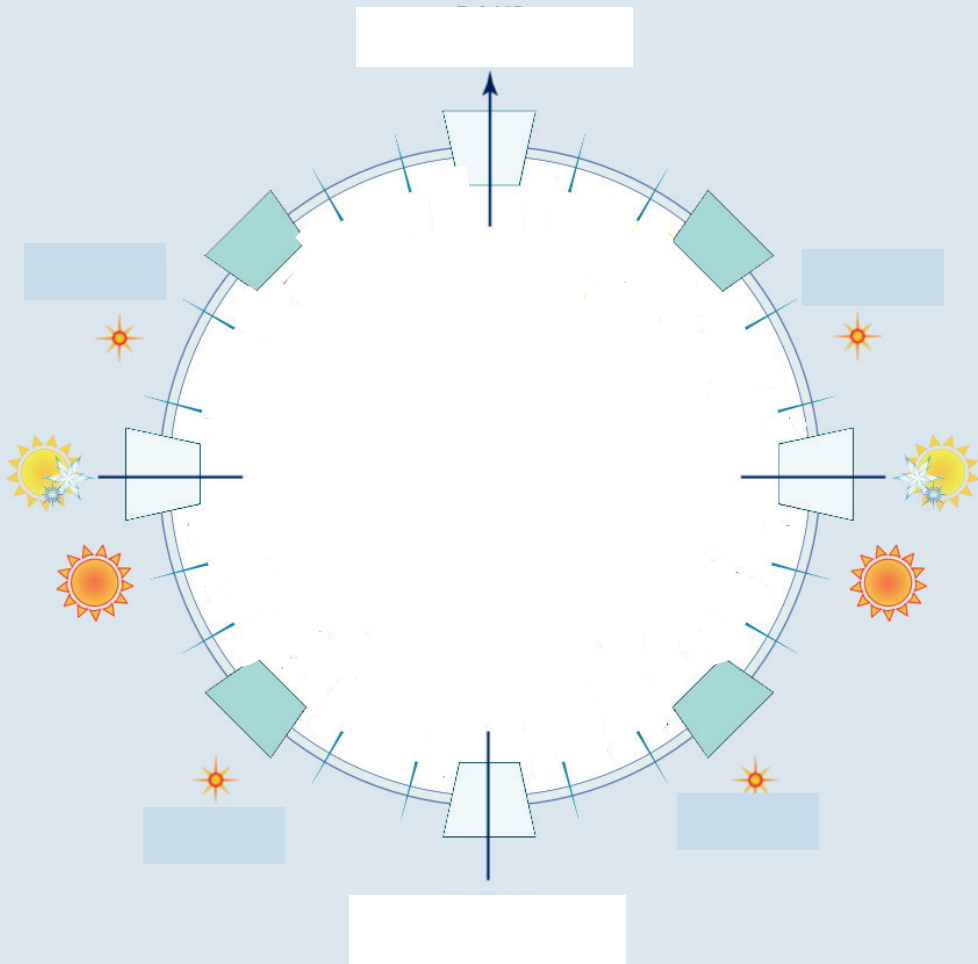

The seasons will change depending on which wife Tama - nui - te - ra is living with. Try to figure out which season each wife represents.

Lastly, what is the equinox? _____

Draw where the equinox can be found on the kāpehu whetū.

KĀPEHU WHETŪ

Using the instructions on the previous page, fill in this Kāpehu Whetū.

Thank you for being our manuhiri
at Hui Te Anau a Tangaroa!

This is your museum and we looking
forward to welcoming you back.
