NAVIGATE THE GALLERIES TO FIND THESE OBJECTS

Watch the Te Waka film.  
Where did our first people come from? How did they travel?

Imagine that you are going on a waka voyage. What would it be like?

Find Captain Cook's chart.  
If you were an explorer, what might you tell people about Aotearoa?

How did these animals travel to Aotearoa?

Why do you think these people are leaving their home? How do you think the people feel?

Sit in the rocking cabin.  
Imagine you are about to sail for 3 months to the other side of the world.

Look at the photos. Have you seen photos of your family or ancestors?

What is this mysterious object? Who did it bring to our country?
