

# THE ART OF GUIDING

WHAT DOES IT TAKE TO DELIVER A GUIDED TOUR?

## PROGRAMME OVERVIEW

### Interacting and communicating with confidence.

This programme encourages students to discover Hui Te Ananui A Tangaroa, the New Zealand Maritime Museum's objects and galleries, and develop a guided presentation to present in small groups.

Students will learn the importance of good communication in the travel and tourism industry, and how it can impact the way the world perceives Aotearoa New Zealand.

We recommend booking a sailing on TED ASHBY, the Museum's heritage vessel, for a first-hand experience of maritime tourism.
