

# Auckland Stadiums: Play, Active Recreation & Sport Bookings

## at Alert Level 2

Alert Level 2 – Reduce. Under Alert Level 2 the disease is contained, but there is still a risk of community transmission. The objective of these guidelines is to minimise the risk of transmission of the virus, and to be able to rapidly track and isolate any cases that may arise.

*Please ensure your health and safety plans are up to date and include appropriate measures to reduce the risk of transmission of Covid-19 and track your participants prior to your booking taking place. Your submitted plans will be reviewed by the RFA H&S team.*

Please observe the following rules during your outside Play, Active Recreation & Sport Booking:

- Please check with your booking attendees ahead of time to see how they are feeling. If anyone is unwell or displays any symptoms of Covid-19 please ask them to stay at home and contact their GP. If anyone is awaiting the results of a test they must stay at home.
- Only 10 people can gather for your booking\* on a single field or court (this includes players, spectators and officials). If you have two bookings on fields side by side, the players, spectators and officials must stick to their single field and not swap over. They must also keep to their own changing rooms. \*The only exception to this rule is regarding HPSNZ who have an agreement with WorkSafe – if this applies to your booking please discuss with your coordinator.
- You need to keep a contact register of who attends your booking (players, spectators and officials).
- Measures should be taken to minimise the sharing of equipment/balls. However, for activities where equipment must be shared ensure that all participants wash and dry their hands before and afterwards, and where possible clean and disinfect the equipment before and after use. Please bring hand sanitizer for your participants as well.
- Try to maintain social distance from one another during ‘play’. You should look to modify your training or game where possible to allow for this. Once you have finished and are socialising or in a changing room you must keep a 2m distance.
- Please do not enter any other areas or fields that are not a part of your booking. Do not mingle with other bookings.
- We need to allow time before and after a booking to thoroughly clean any spaces used and for participants to arrive and depart. Please ensure your booking finishes on time and you depart within 5 minutes of that time.
- **If anyone from your booking becomes unwell and tests positive for Covid-19 please contact your coordinator or email [bookings@aucklandstadiums.co.nz](mailto:bookings@aucklandstadiums.co.nz) and let them know as soon as possible.**

*Please note that we reserve the right to stop a booking if safe practices are not being adhered to and no refund will be provided.*

*The above rules are minimum expectations relating to the undertaking of Play, Active Recreation & Sport Bookings, there may be additional measures your organisation must implement in line with Ministry of Health guidance in order to reduce the risk of Covid-19 transmission based on the activity type you are engaging in, the booking holder is to determine how and when such additional measure are to be applied.*

This document was put together using the SportNZ Play, Active Recreation and Sport Guidelines and the Covid-19.govt site as of 13/5/20. It will be reviewed and updated following information from the Government on 25/5/20. If you need further information please visit their website - <https://sportnz.org.nz/assets/Uploads/Play-Active-Recreation-and-Sport-at-Alert-Level-2.pdf>
