

Ed Sheeran, Loop Tour 2026 – Road Closure & Parking Restrictions

The area around the stadium will be busier than usual on these days, and some road closures will be in place to ensure the safe delivery of these 2 concerts. We are also anticipating an increased level of noise during sound checking and the event hours.

We are working closely with our event partners to ensure these events cause as little disruption as possible.

*The traffic management plan for this event is still being finalised. If there are any material changes to this information, we will update it.

Access to your property

If your property is within a road closure, you will still be able to access your premises. Please present traffic controllers / police / security a valid proof of address at the road closure point. Please note that parking restrictions will still apply, so on-road parking may still be restricted. Please check for signage indicating traffic

restrictions in the days leading up to the event. For the latest information, please refer to the Auckland Stadiums website.

Additional Security Support

We appreciate the disruption that events can bring to residents so have coordinated with our security team for patrols on external roads. If you do observe any antisocial behaviour, then please do report it either to our security presence or report illegal behaviour to the police.

Temporary Liquor Ban

A temporary liquor ban will be in place on the streets surrounding the venue from **6.00am on event day until 6.00am the following day**. Police will be actively monitoring public areas around the venue and enforcing the ban.

Waste Management

Waste management personnel will be moving through the immediate neighbourhood surrounding the stadium during the event and after, collecting any event-related rubbish. If your property is impacted, then please notify us via email.

If you witness any unlicensed catering and merchandising operators, please contact the Auckland Council Call Centre on 09 301 0101.
