

# Save our elephants

**Write a text to explain why elephants are endangered and persuade your audience to save them.**

**Before you start think about:**

- Who your audience is
- Why elephants are endangered
- Why should your audience care about elephants
- What is special about elephants
- How we can support elephant conservation

**You can use some of the links on the Auckland Zoo Website to help you.**

A large, rounded rectangular area with an orange border, containing several horizontal white lines for writing.
